ATTENTION LMGA MEMBERS

February 2, 2015

It has come to the attention of the LMGA Board that score cards are being submitted with incorrect scores and addition errors! Every scorecard asks for the "Scorer" and "Attested" signatures verifying all players' scores are correct. To assure this occurs in the future and players are not having incorrect score card submitted, the Board is requesting the following beginning today!

*** One (1) scorecard per group be submitted to the Pro Shop**

*** Every member of the group is required to initial their name indicating the "Scorer" recorded the correct score per hole and correct total**

*** 0-16 handicap players need to circle your birdies if entered in the Skin Pool**

IF THE BOARD FINDS AN ERROR WITH PLAYERS SCORING, THE AFFECTED PLAYERS AND THE TEAM, IF APPLLICABLE, WILL BE DISQUALIFIED FROM THE EVENT!!!!!

Thank you for your support and participation in the LMGA events!
